

# WT WRAPTRADE® TRAINING CENTER

## HEXIS BODYFENCE ADVANCED TRAINING

Wraptrade.com and Hexis organize an advanced Bodyfence paint protection film training for customers. The target of the training is to discuss all sorts of installation issues, understand their root and find a solution to get past them. The training requires questions from the installers and does not deal with basics, installers taking part the training are expected to have proper installation skills.

**DATE:**  
13TH SEPTEMBER,  
FRIDAY

**LOCATION:**  
WRAPTRADE TRAINING CENTER,  
K&R TRADING CO. LTD., HUNGARY,  
1195 BUDAPEST,  
HOFHERR ALBERT STREET 3/A

### PROGRAM:

08:30-09:00 Arrival to training site  
09:00-12:00 Practical training

12:00-13:00 Lunch  
13:00-16:00 Practical training

**During the training the following materials will be used:**  
**Hexis Bodyfence, Hexis Bodyfence Matt, Hexis Blacklight**

### THE TRAINER:

**Mario Ueberall**

Aged 37, Mario has been in the sign business for more than 10 years. He specializes in vehicle wrapping and paint protection films and has been providing training courses for HEXIS since 2013.

He not only manages demonstrations for open houses and exhibitions but can also run training sessions for any kind of self-adhesive product (car wrapping, paint protection, train wrap, decoration, solar films, etc.). On several occasions, he was involved as HEXIS judge for international wrap contests.

Mario can perform training sessions in English and German languages (German is his mother tongue).

### COSTS:

199€ per person. Payment of the training fee will ensure your place on the training. Cancellation of your participation 2 weeks prior to the training is fully refundable, if the training is cancelled within 2 weeks before it takes place, the fees are non refundable.

If you wish to take part on the training please confirm asap in writing to [info@wraptrade.com](mailto:info@wraptrade.com). We hold a maximum of 5 spaces per training.
